CONFIDENTIAL

Why do you think the service user would benefit from having a Children First Volunteer?

(please attach additional sheet, if necessary)

What are the key areas on which you would like the volunteer to focus?

please attach additional sheet, if necessary)

What is the service user's first language?

Does the service user have sufficient English to benefit from an English speaking befriender?

What support is already being given to the family by yourself?

Will you continue to support the service user once they have a volunteer befriender?

To your knowledge does anyone living at the address have a history of violent behaviour?

Yes:

No:

If yes, please give further details:

Is the service user eligible for public funds?

Yes:

No:

We will end the befriending relationship if we believe our Volunteer Befrienders to be in any personal danger.

It is our policy to liaise with the referring agency during the period of befriending. We would expect the referring agency to keep us informed of any changes to the family's situation.

If you wish to discuss the service user, please contact Children First Derby, not the Volunteer Befriender, on 01332 341516.
